2023 Call for Papers

The Annual Meeting of the American Finance Association will be held January 6-8, 2023 in New Orleans, LA. Papers presented at the Annual Meeting traditionally include both submitted papers and papers solicited by the session chairs in order to promote both broad participation and a high-quality program. I encourage you to submit your best paper for this meeting.

Submissions must be made by March 15, 2022, via the program website, which is accessed from a link on the Annual Meeting page at www.afajof.org. The paper submission website will open in mid-February. Authors of selected papers will be notified by May 31.

All papers must be accompanied by an abstract of at least 200 words, but no more than 600 words. All papers must be submitted as PDF files. Complete papers will be given preference, but extended abstracts of several pages may also be submitted. Please include in your submission the emails, phone numbers, and addresses for every author.

Note: Submitted papers should not have been accepted for publication. **The author submitting the paper to the Annual Meeting must be a member of the American Finance Association for the paper to be considered.** To enable wider participation, please submit only one paper and do not submit the same paper to other associations that meet at the same time as the AFA/ASSA.
